

The 2026 CoServ Science, Technology, Engineering, & Math Scholarship Award

APPLICATION GUIDELINES

Award: \$1,000.00

Application Deadline: 4:00 pm April 17, 2026

Notification of Recipients: Recipients will be notified in May.

Applicant Eligibility: Scholarship is limited to a graduating senior in the Argyle ISD schools who will be attending a trade school, college or university in the fall and who intends to pursue an education in a STEM related field.

Application and Essay Review: Applications are submitted for blind review by a selection committee, which will be the final determinant of the winner.

Note: Application documents cannot be shared links to a google account. Any supporting documents must arrive in a single file and compiled into one email. Your high school counselor must be copied on the applicant submission email.

Please email all documents to cara@supportargyleisd.org .

Parent/Guardian Signature: _____ Date: _____

To be filled out by your AHS counselor:

Counselor's Name (Please Print) _____

Counselor's Signature _____

**information submitted on this application will be kept confidential and may be used only to determine eligibility for the scholarship. It will not be released for any other purpose.*

**DO NOT LIST YOUR FIRST OR LAST NAME ON THIS PAGE
OR ANY PAGES ATTACHED.**

LETTERS OF RECOMMENDATION MAY LIST YOUR NAME ONLY ONCE. You may redact your name if listed more than one time.

Any letters that do not follow this will not be included. You are permitted up to 4 letters of recommendation and/or supporting documents.

Please add TYPED responses on additional pages.

1. List all colleges or trade schools that you have been accepted to.
2. List and describe AHS courses you have completed in the Science, Technology, Engineering or Math fields.
3. List and describe any organizations you have been involved with including:
 - a. Organization Name and description
 - b. Describe your roles and responsibilities with the organization.
 - c. Time period you were involved within the organization.
 - d. Estimated total hours dedicated to this organization during high school.
4. List work, internships, or any other STEM relevant experience you have had during high school and the time commitment involved.

ESSAY:

Address how STEM influenced your high school career. What determined which STEM courses you took in high school? How might those specific STEM courses prepare you for higher education and for your life goals? Which trade school or college do you plan attend and what will be your major? Add any other related information that you would like the committee to consider.

The essay should be at least 300 and no more than 500 words, double-spaced, and at least 12pt font.
